Charged With Conspiracy to Commit a Riot and Resisting Officers.

BITTER FIGHT IN ASHEVILLE

Trouble About a Hired Team Was the Cause of the Difficulty.

(Special to The Times-Dispatch.)
ASHEVILLE, N. C., July 25.—The trial
of members of the Sevier family, Edwin
Patten, former Chief of Police Jordan, and others, on a charge of conspiracy to commit a riot, resisting officers, and as-sault, ended yesterday in the Police Court before Judge Thomas Jones, when the court fined Edwin Patten, Dr. Joe Sevier

court fined Edwin Patten, Dr. Joe Sevier, Dr. Dan Sevier, Peter Sevier and Benjamin Morris \$56 each, and, in addition, assessed Dr. Joe Sevier and Peter Sevier \$1 each for resisting arrest. Former Chief of Police Jordan was discharged.

Charged With Conspiracy.
This is the final chapter of the disgraceful attack on C. C. Tallaferro and his two sons, of Orange, Va., by the Sevier family and their friends on the public square of this city last week. Interest in the case was increased by the

fact that the defondants were charged with conspiracy to incite a riot, and the corporation counsel, J. L. Bourne, appeared as prosecutor on behalf of the city. Judge Jones, in his decision, said he found no evidence of a conspiracy on the part of the defendants, and they were fined for committing an assault on the Talinferros and resisting arrest.

Trouble Over a Team. The attack on the Taliaterros was the result of an altercation between Dick Sevier, who is located at the Battery Park as agent for the livery firm of Patten & Stikeleather. The Taliaferros, who were guests at the Battery Park, had used one of the livery (Irm's teams. who were guests at the Battery Park, had used one of the livery firm's teams, and the bill was settled at the hotel office when the Tallaferros were preparing to leave the city for their home. Later Dick Sevier took occasion to inform Mr. Tallaferro that he had received word from Mr. Patten that the team had been abused. Mr. Tallaferro indignantly declared that if Mr. Patten made any such insinuation he was not confining himself to the truth. Sevier resented this, and asserted that Mr. Tallaferro was a lar. He was promptly knocked down by one of the younger Tallaferfos. Sevier claimed he was set upon by the three members of the Tallaferro family, and had a warrant issued for their arrest.

Party Roughly Handled.

The Tallaferros were arrested as they were about to leave the city, and at once The Taliaferros were arrested as they were about to leave the city, and at once taken to police headquarters, where they were released on ball. In the meantime Dick Sevier had gathered together other members of his family and a large number of friends, and the crowd had assumed such a threatening appearance in front of police headquarters that an escort of police was sent with the Taliaferros as they left the building. The party had not proceeded far on its way across the public square when Edwin Patten, of the livery firm, rushed at Taliaferro and struck him in the face. This precipitated a regular riot, in which a large number of men attacked the Taliaferros and their police escort, during which the Taliaferros were roughly handled and rather badly used up before they were again safely in the City Hall, which they were later quietly enabled to leave.

ful one, and excited much indignant comment on the part of the better class of citizens.

CHARLOTTE, N. C., July 25.—It is understood that Selwyn Hotel has been leased by Harvey and Wood one of the most noted hotel firms in the country.

Messrs, Harvey and Wood already manage eight hotels, and among these is the famous one in Portsmouth, N. H., where the Russo-Japaneses peace conference was held last year, and the Piedmont, of Atlanta. This firm is now negotiating for a new hotel in Macon Ga., and this, with the hotel Selwyn, will increase the number to ten. Messrs, W. S. Alexander and R. A. Dunn have gone to Boston for the purpose, it is said, of arranging some minor details with Messrs. Harvey and Wood. They have the power to lease the hotel. The Selwyn, which will be ready for occupancy about October 1st, is the finest hotel between Washington and Atlanta.

(Special to The Times-Dispatch.)

DURHAM, N. C., July 25.—There was some doubt yesterday as to the cause of the explosion of one of the tanks of the Standard Oil Company, in which Webb Holloway was burned to death, and a negro. company only one day, and was not aware of the danger. The condition of Lunsford still remains at a critical point, but it is thought there is some chance for his recovery.

Resent the Importation of Foreign Labor to Work on

(Special to The Times-Dispatch.)
FAYETTEVILLE, N. C., July 25-Yesterday the hands of Hope Mills, No. 2,
of the Hope-Mills Manufacturing Company, went out on strike, followed by the operatives of three other mills of the system. This morning all four fac-

pany, went out on strike, followed by the operatives of three other mills of the system. This morning all four factories are shut down. The grievance of the force is that Italians were brought here by the company to work on the looms.

On the part of the company it is urged that labor was impossible to procure here, the machinery often lying idle, and that the importation of these workmen was a necessity. On the part of the operatives the bringing in of foreign labor was resented as the importation of foreign labor, with different religious modes of life, clistoms, habits, etc., besides a demonstration of opportunities for employing home people neglected.

Up to this hour, there are no disturbances, but the company has called on Sheriff Marsh to have deputies in readiness, should trouble occur.

The Hope-Mills Manufacturing Company runs four splendidly equipped mills, with bost machinery for turning out a high grade of goods, it has always borne the reputation of treating its force well and paying good prices for labor. This is not a strike for high wages.
